**ISSUE:**

Approval of a resolution supporting the passage of the special election proposition by the Board of Education of Granite School District.

**SYNOPSIS:**

The Board of Education of Granite School District has proposed a special bond election to be on the ballot on November 3, 2009. The purpose of the bond proposition is for the building of new schools, the rebuilding of certain existing schools, and the air conditioning of all schools, many of which are located within the boundaries West Valley City.

**BACKGROUND:**

The School Board has specifically represented that a portion of those bond proceeds would be used to pay for improvements to schools located within West Valley City, including the rebuilding of Granger High School, as well as the installation of air conditioning in many of the schools that do not already have air conditioning (see attached list of schools). The School Board as further represented that this bond proposal will not result in an increase in taxes.

**RECOMMENDATION:**

Approve a resolution supporting the passage of the special election proposition by the Board of Education of Granite School District.
